Porta Umbrella

MakMax Architectural Umbrellas

LIGHTWEIGHT PORTABLE UMBRELLA

The Porta umbrella is collapsible, portable and ideal for applications where persistent wind is not a factor. Small and light, Porta is great for street furniture, as well as cafes, restaurants and bars without a permanent alfresco area.

- » The Porta umbrella is 2.1m.
- » Porta umbrella is square.
- » Steel frame with 4-step powdercoat protection system.
- » 38mm diameter central pole will fit through most outdoor tables.
- » Small enough to be moved, yet durable enough to be left up for extended periods. We recommend closing your Porta umbrella if subjected to moderate wind.

Design. Engineer. Fabricate. Install.

MakMax Porta Umbrella Range

AESTHETICS & ACCESSORIES

- » Attention to detail in all aspects of product development means the finished product is architecturally pleasing and efficiently designed.
- » Range of colours, finishes, and branding possibilities.
- » Wide range of accessories available, such as battery-powered LED lights

DESIGN & ENGINEERING

- » Leaders in outdoor umbrella design since 1985.
- » All products are certified by a practicing and accredited structural engineer.
- » Structural design is to AS/NZS1170.0, AS/NZ1170.1, AS/NZ1170.2, AS4100, AS3600 and AS1170.4.

MEMBRANE

- » The tensile membrane canopy is fabricated from long-life, 100% UV stabilised, waterproof, architectural-grade PVC (coated polyester fabric with a PVDF finish to both sides).

STEEL FRAME

- » Umbrella frame is made from tubular steel, finished with a four-layer powdercoat protection system.

HARDWARE

- » Umbrellas canopy is tensioned with stainless steel under arm cables.
- » All hardware inclusive of nuts, bolts, washers, and rigging screws are stainless steel.
- » Arm end plugs are UV resistant nylon.
- » Top hats are spun aluminium with polyester powdercoat.

MANUFACTURE

- » Complete manufacture and assembly in house means full control of product standards.

DELIVERY

- » Capability to deliver product to any corner of the globe through an international network of affiliates.
- » Full service warranty and maintenance support.
